INNOVATIVE POOL AND BACKYARD CONTROLS

Discover the gold standard of backyard control and convenience with OmniLogic®.

THE SIMPLEST, MOST INTUITIVE AUTOMATION SYSTEM EVER.

OmniLogic offers the ultimate in total backyard automation. Enjoy complete control of your pool, spa and landscape features from anywhere with the newly redesigned app and voice control via Amazon® Alexa® and Google Home®. Get easy access to preferred settings with up to 25 backyard themes and 50 favorites buttons, plus effortless plug-and-play upgrades that easily integrate new features. With all of this and more, OmniLogic is truly the only backyard automation system you'll ever need.

PROLOGIC®: CONVENIENT, CUSTOMIZED CONTROL.

ProLogic offers the right level of control for any environment, allowing you to manage chlorination, chemistry

automation, pool lighting, water features and more, depending on your needs.

Simply select your controller and then Pick N' Mix® your

options for totally customized control. For added convenience, the system can be controlled via a variety of optional remote controls, including AquaConnect® with apps for your smartphone or tablet.

Elevate your oasis with the perfect level of premium automation.

AQUAPLUS®: WHERE POWERFUL AUTOMATION MEETS PRISTINE WATER QUALITY.

AquaPlus simplifies pool and spa ownership by bundling ProLogic control capabilities and salt chlorination into one easy-to-order, easy-to-install package. Control any pool or spa function you like, and get the softest, silkiest water possible. Plus, when you pair AquaPlus with the AquaConnect app on your smartphone or tablet, you'll get full control of all pool features no matter where you are.
