

FRONTIER DECK DRAIN

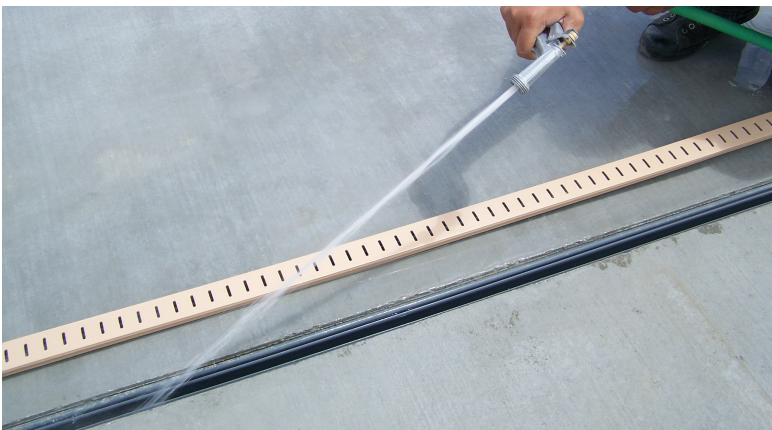

REMOVABLE TOP DRAIN

FRONTIER DECK DRAIN is a removable top drain that features a double-wall base and snap-in top (PVC). When installing this drain, the top caps are staggered past the joints making the joints very rigid. Because the top caps are removable, this drain is easy to clean and the top caps can be replaced if ever damaged. Frontier Deck Drain is used in many residential and commercial swimming pools, patios and other pedestrian areas.

- **Economical**
- **Easy to install**
- **Replaceable Tops**
- **Easy to clean**

Top Cap Available in
ALUMINUM

DRAIN DOWELS (Fiberglass)	PART #
Drain Dowels (12 per carton) - Needed for 40' of drain	DOW-12
Drain Dowels (24 per carton) - Needed for 40' of drain	DOW-24

Stabilizing a Deck Drain

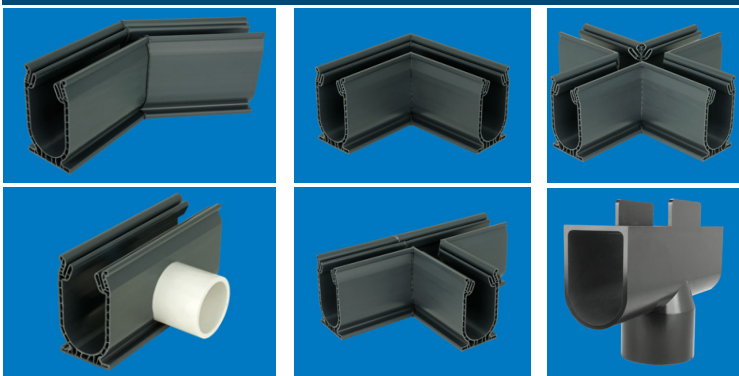

To stabilize a removable top deck drain, pin the base with 3/8" Drain Dowels (or like material) 3 to 4 foot on centers. Pinning the drain in this manner protects the drain from movement of concrete due to expansion and contraction.

Taking this precaution insures that the drain tops can be removed for cleaning or replaced if damaged for years to come.

FRONTIER DECK DRAIN COUPLERS & ADAPTERS

DESCRIPTION	QUANTITY PER CARTON	PART #
90 DEGREE	10	SDD90
45 DEGREE	10	SDD45
